Section 3: Responsible Use of LLMs & AI Tools

Engineers are encouraged to utilize AI coding assistants for productivity.

However, proprietary client source code must NEVER be pasted into public unapproved LLMs.

All production LLM calls must pass through the internal API Gateway.

Section 4: Hardware & Equipment Budget

Each AI Engineer receives an Apple MacBook Pro M-series workstation upon joining.

An annual home office learning stipend of INR 50,000 is provided for books and courses.
